

ABB Training Day

» **Tuesday, December 3, 2024**

Agilix Solutions Customer Center
2023 Westport Center Drive
St. Louis, MO 63146

AGENDA:

8:00 - 8:30

Registration & Breakfast

8:30 - 10:00

Session 1

10:30 - Noon

Session 2

Noon - 1:00 PM

Lunch & Networking

WHO SHOULD ATTEND:

- Electrical Technicians
- Engineers
- Contractors
- Project Managers
- Design Personnel
- Electricians and Apprentices
- Individuals looking to enhance existing electrical, knowledge and upgrade their skills

SEMINAR INCLUDES:

- Training credits: 1.0
- IACET National CEU credits: 0.1

THIS EVENT IS COMPLIMENTARY.

REGISTRATIONS WILL BE ACCEPTED ON A FIRST-COME, FIRST-SERVED BASIS.

SESSION 1 Connectivity: Grounding & Bonding

Connectivity is a training course covering the science, applications and techniques for installing and maintaining electrically sound connections. This course will also cover grounding and bonding according to the National Electrical Code (NEC) and the Institute of Electrical and Electronics Engineers (IEEE).

SESSION 2 Corrosion: Extending the Life of your Electrical Systems in Corrosive Environments

This course will examine corrosion: the science, industry standards, reasons and methods to deter or control corrosion in electrical systems and components. This course will use the National Electrical Code (NEC) and the Institute of Electrical and Electronics Engineers (IEEE) for electrical standards.
